In America, you are not required to offer food to the hungry. Or shelter to the homeless. In fact, one of the nicest things about living here in America is that you really don't have to do anything for anybody.

To the 80 million of you who volunteered time and money last year, thanks for all you've given. Imagine what more could do.

On the Cover

Our goal is to become the best land-grant university in the nation. One way we aim to do that is by offering an array of programs and services to help students become their best—both at Iowa State and after graduation. This year, the university is observing a yearlong celebration, "Challenging students to become their best." It features a calendar rich in student-centered events including nationally acclaimed speakers and lecturers, cultural performances, a student leadership conference, and the openings of new student services and student housing facilities. Challenging students to become their best....it's what we do best.

"Iowa State University does not discriminate on the basis of race, color, age, religion, national origin, sexual orientation, sex, marital status, disability, or status as a U.S. Vietnam Era Veteran. Any persons having inquiries concerning this may contact the Director of Affirmative Action, 1350 Beardshear Hall, 515-294-7612"

Student Billing

Each month you will receive a Telecommunications statement detailing charges and long distance calls. (One resident in each University Family Housing, UFH, apartment is billed for basic service.) The total will appear on your Accounts Receivable Statement, along with any other university charges for that month.

Charges must be paid monthly to avoid loss of service and incurring a \$10.00 (non-refundable) reactivation charge.

Contact the Telecommunications Office, 271 Durham Center, 294-8585, if your code is lost or stolen!

You are responsible for all calls placed using your authorization code. Do not give this information to anyone!

NOTE: FRAUDULENT BILLING CAN LEAD TO PROSECUTION - It is illegal for a person to charge long distance calls to another person's calling card or authorization code without their permission. Persons placing such calls to avoid payment for service are subject to prosecution and if convicted are subject to imprisonment and/or fine.

Data Network Information

The Iowa State data network serves all campus buildings including Residence Halls and University Family Housing. Users can access on-campus resources such as the Library, Acropolis, and college/department servers. High bandwidth Internet connectivity is also provided. Remote access services are available to the off-campus community utilizing PPP to support applications such as telnet and web browsing.

Connecting to the Campus Network from the Residence Halls

To use Ethernet, you will need the following:
Ethernet Card (unless your computer has a built-in Ethernet connector). Ethernet cards and cables are available in the Microcomputer Product Center (MPC), 191 Durham Center, or through computer dealers. Items purchased through MPC can be charged to your university account. The Telecommunications Office supports 10BaseT connections in the residence halls.
Communications Software Once your computer hardware is set up for Ethernet, you will need to configure network connectivity software. Assistance is available in the Solution Center, 195 Durham Center, 296-6000.

Buchanan Residents

add, move, or disconnect Ethernet
on-line:
<http://www.tele.iastate.edu>

Connecting to the Campus Network from University Family Housing (UFH)

DSL service is available in each University Family Housing (University Village and Schilleter Village) apartment. DSL is an always-on network connection operating at speeds of 768 kbps. DSL uses the existing telephone wiring. It provides a connection directly to the campus LAN with full access to the Internet.

To use DSL, you will need the following:

Ethernet Card (unless your computer has a built-in Ethernet connector). Ethernet cards (10BaseT) and cables are available in the Microcomputer Product Center (MPC), 191 Durham Center, or through computer dealers. Items purchased through MPC can be charged to your university account.

Communications Software Once your computer hardware is set up for Ethernet, you will need to configure network connectivity software. Assistance is available in the Solution Center, 195 Durham Center, 296-6000.

NOTE

Lightning may damage equipment connected to a power source or a communications jack. The Telecommunications Office is not liable for damage caused by electrical storms. Surge protectors will not guarantee protection. We recommend that you disconnect both the power cord and communications cable during electrical storms.

Connecting to the Campus Network from Off-Campus

Enhanced remote networking is available through PPP service utilizing V.34 (33.6K) or V.90 (56K) inbound modems. This gives users the ability to run applications such as Telnet, FTP, and web browsers. Use of PPP service is billed to a personal account through the Accounts Receivable Office. You must have an ISU Network-ID for authentication. Instructions for obtaining an ISU Network-ID are available in the Solution Center, 195 Durham Center.

To Establish PPP Service:

Log in to Acropolis

<https://asw.iastate.edu>

ENTER	net-ID and password
CLICK ON	Login
CLICK ON	Request
CLICK ON	PPP access

Answer the questions at each prompt. Rate information is included.

Obtaining Software

Software packages are available in several forms. Instructions for obtaining this software are available in the Solution Center, 195 Durham Center, and at <http://www.public.iastate.edu/~micronet>.

Connecting to the PPP Server

There are three access numbers for the PPP modem pools:

V.34	33.6K	268-4777
V.90	56K	268-4565
V.90	56K	866-251-5488

(Outside Ames-PPP and line charges apply)

The Solution Center

Do you have a question about computing at Iowa State? Then the Solution Center has an answer. They specialize in answers about getting connected to the network at ISU, which can be anything from requesting PPP service to getting help with site-licensed software. The Solution Center also helps students set up e-mail, newsreaders, Telnet, and FTP (File Transfer Protocol). The Solution Center offers handouts and advice if you feel like setting up your computer on your own, or you can make an appointment with the SNAP team for help getting connected on campus.

You can contact the Solution Center by phone at 515-296-6000; by e-mail at solution@iastate.edu; or in person in 195 Durham Center. Hours are from 8 a.m. to 5 p.m., Monday through Friday. On the Web, look for us at <http://www.ait.iastate.edu/solution/>.

SNAP Team

The Student Network Access Project (SNAP) is here to help students who want to get connected to the campus network. An assistant can go to your on-campus residence to help install an Ethernet card in your computer, configure the card, and help load the networking software. The team also has a drop-off service in the Solution Center, 195 Durham Center. You may leave your machine with the SNAP team and have the setup done there. Off-campus students can also drop off their machines to have their computer and modem set up to connect to the campus network through the PPP dial-up service.

SNAP is funded by your student computer fee so there is no charge for standard service. You can contact the SNAP team by phone at 515-296-6000 or by e-mail at snapteam@iastate.edu.

Iowa Voter Registration Application

Voter Qualifications:

To register to vote in Iowa, you must:

- > be a citizen of the United States
- > be a resident of Iowa
- > be at least 17 1/2 years old (you must be 18 to vote)
- > not have been convicted of a felony (or have had your rights restored)
- > not currently be judged "mentally incompetent" by a court
- > give up your right to vote in any other place.

Deadlines for registering to vote are 10 days before a primary or general election; 11 days before any other election. You may register after the deadline, but your registration will not be effective until after that election. Normally, an application must be received by the deadline in order to be valid for the election. However, if your registration is postmarked at least 15 days before the election, it will be accepted for that election even if it is received after the deadline.

Registration is permanent. After you register, you do not have to register again unless you move to a new address.

Instructions:

1. Use this form to:

- (a) Register to vote; or
- (b) Report a change of name, address, telephone number or party affiliation.

2. Use a ball point pen to fill in all the blanks on the form.

3. Carefully cut out the form with scissors.

4. Address an envelope to:
Commissioner of Elections
Courthouse
(your county seat), IA (zip)

5. Insert the completed form - be sure it is signed - into the envelope, affix first-class postage, and mail.

6. You should receive a receipt of this application within 14 days. If you do not, contact your county auditor.

Privacy Act Notice: Disclosure of your social security number on this voter registration application is voluntary. It is requested by authority of 1994 Iowa Acts, SF 2223. Failure to provide the number will have no effect on your right to register or your right to vote. If you provide your number, it will be used to help avoid multiple registrations for a single individual. It may also be disclosed to those who purchase lists of registered voters and to those who view original voter registration records, which are public records under Iowa law.

UNIVERSITY ORGANIZATIONS

Student Activities Center

B6 Memorial Union, Ames, IA 50011
515/294-1023 • 515/294-6331

Being involved is one of the more important aspects of your college experience. It enables you to mature personally, socially, intellectually, and spiritually. Involvement enhances your opportunities for career development exposing you to various skills, which will help you when you graduate to find gainful employment. Giving your time and talents to an organization will not only help that group, it will make your college experience a valuable and enjoyable one.

If you are interested in one of the organizations listed in this section go to the Student Activities Center Webpage at <http://www.sac.iastate.edu> and click on GET INVOLVED. There you will be given information about each organization and how you can get in contact with them.

Student Alphabetical Listings

Information in the student section of the university campus directory is taken from data supplied by the students to the university prior to September 7, 2001. Students who do not wish to have directory information published must file notice in the Office of the Registrar within the first 10 calendar days after the beginning of the fall semester. The university assumes that failure on the student's part to specifically request withholding directory information indicates the student's approval for the disclosure.
